THE QUARRY

Quartz Facade

Description

Versatile living at its finest accommodating narrow sites configuration and suites a downward sloping block, the Quarry was designed to include multiple living areas making this the perfect home for a growing family. The private and spacious master suite is located at the front of the home complete with a walk in robe and ensuite. Located towards the rear you will find a generous home office with a separate powder room. The open plan living with island bench kitchen and walk in pantry overlooks the dining and living area which opens to the deck. Designed for entertaining the media room is also located on this level. Downstairs you will be greeted with a palatial rumpus room leading to the alfresco. The rumpus is surrounded by three additional bedrooms making this the perfect hub for teenagers or guests.
