THE WALDEN

Classic Facade

Description

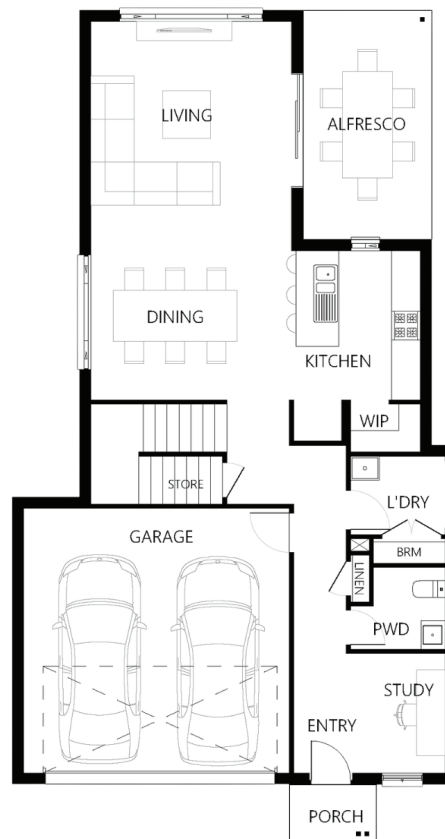

The Walden 244 is ideal for a small block whilst adding multiple living areas for a growing family. The main level includes a kitchen with open plan dining and living which opens to an alfresco area. On this level you will find a study at the front of the home which is perfect for anyone requiring peace and quiet. The top floor has a master suite located at the front of the home complete with a spacious walk in wardrobe and ensuite. Three additional bedrooms are located on this level which are connected and surround the family bathroom. This level is also home to the rumpus which can be turned into a great entertainment hub for the kids.
