Description

The Manton 210 is a great design which utilises space well. All four bedrooms are located to one side of the home with the master suite situated at the front with a generous walk in robe and ensuite. The open plan living area is adjacent to the galley style kitchen with a walk in pantry and access to the laundry. This open plan area is also connected to the media room and alfresco making this a great space to enjoy family time together or entertain guests away from the privacy of the bedrooms.
